Dear Mr. Brown:

This is to follow up our telephone conversation of July 20, 1988 and your previous correspondence and conversations with Bishops Lackey and Baycroft.

Please find enclosed a cheque for Five Hundred Dollars (\$500.00) to help you with your current financial situation. This is a token of our recognition of the importance of what you are trying to do and of our willingness to help.

As I said, I will bring the issues which you have brought to our attention to Dr. Phil Cockshutt, Chairman of our Public Social Responsibility Unit. You should be hearing from Dr. Cockshutt in the near future.

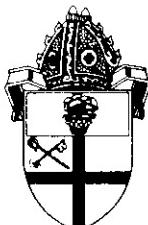

All the best in your efforts to bring to the attention of government and public the concerns you have around the issue of pollution.

Yours sincerely,

William Gilbert

The Reverend Canon William A. Gilbert,
Bishop's Commissary.
